4. Mr.Rafah Damrongchaitham	Director (Executive Director)	<ul style="list-style-type: none"> Member of the Risk Management, Corporate Governance and Sustainability Committee Member of the Executive Committee

With respect to the Company’s Good Corporate Governance Policy, the shareholders were given the opportunity to nominate the names of qualified persons for being considered to be elected as directors in advance for the 2025 Annual General Meeting of Shareholders via the Company’s website www.theoneenterprise.com, from October 1, 2024, to December 31, 2024. However, no shareholder nominated the qualified persons to the Company.

The Nomination and Remuneration Committee (the “NRC”) at the Meeting No.1/2025 held on February 20, 2025 had deliberately considered, taking into account the individual directors’ qualifications in various aspects based on the best interest of the Company under the policy, criteria and nomination process of the Company (Details appear in the 2024 Annual Report (Form 56-1 One report) under the heading "7.3 Information about the subcommittees > 2. Nomination and Remuneration Committee > Scope of duties and responsibilities of the Nomination and Remuneration Committee Recruitment > 1. Nomination” (Page. 132-133) and found that all the 4 retired directors, namely (1) Mrs. Duangjai Lorlertwit, (2) Mrs.Duangmanee Sukhum (3) Mr.Piya Sosothikul and (4) Mr.Rafah Damrongchaitham are fit to work for the Company as the directors for another term because of their qualifications that meets the requirements of the Public Act, have qualifications suitable for the business of the company, their knowledge, abilities, experience, vision, and working performance including their devotion and support to the Company’s business operation in the past years.

The Board of Directors has considered proposing to Directors No. (1) Mrs. Duangjai Lorlertwit, and (2) Mrs. Duangmanee Sukhum to be independent directors. Due to the qualifications consistent with the independent director definition of the Securities and Exchange Commission, and the Stock Exchange of Thailand and the Company, and both of them will be able to express their opinions independently. as an independent director and Mrs.Duangjai Lorlertwit as an audit committee throughout the past tenure have performed their duties with responsibility caution and honesty, including compliance with the law relevant rules, objectives and regulations of the Company, Board resolution as well as the resolutions of the shareholders’ meeting, in accordance with the relevant details of the definition of independent directors of the Company are set out in Enclosure 3.5.

Therefore, the Board (except those 4 retired directors who have conflicts of interest in this agenda), considered and scrutinized the suitability of the person who was nominated for this time have qualifications suitable for the business of the company. In accordance with the opinion of the NRC above and agreed with the NRC to propose the Meeting to endorse the appointment of the 5 afore mentioned candidates as the Company’s directors. Their profiles and other supporting information and the qualification of the Company’s independent directors who retired by rotation and the qualification of the Company’s independent director in Enclosure 3.1 - 3.5.

Required Resolution:

A resolution for electing directors can be passed according to the method and procedure as stated in Clause 20 of the Company’s Articles of Association (Enclosure 5) and a resolution under this agenda can be passed with a simple majority vote of the shareholders who attend the meeting and cast the vote.

.....

Agenda 6 To approve the remunerations of the Board of Directors and subcommittees for the year 2025.

Pursuant to the Clause 33 of the Company's Articles of Association which stated that: "The directors shall be entitled to receive remuneration from the Company in the form of award, meeting allowance, gratuity, bonus or benefits of other nature as considered and approved by the shareholders meeting by a vote of not less than two-third (2/3) of the total votes of shareholders attending the meeting. The remuneration may be fixed in a certain amount, or be specified from time to time, or be in effect until a change by a resolution of the shareholders meeting. The directors shall also be entitled to receive per diem allowances and other fringe benefits in accordance with the Company's regulations, the provision shall not prejudice the rights of the staff or employees of the Company, who have been appointed as directors, to receive the remuneration or benefits as a staff or an employee of the Company."

For the 2025 Annual General Meeting of Shareholders, the NRC and the Board considered the Board's remuneration and the Sub-Committees' remuneration for the year 2025 according to the Company's the guidelines and procedures by considering various factors in support of their determination, including the scope of responsibilities, contributions, the work performance of the Company's directors, business expansion, a comparison with other companies in the same industry and similar nature of the business, as well as the report of the 2024 Survey on Directors' Remuneration of Listed Companies in the Stock Exchange of Thailand conducted by Thai Institution of Directors (IOD). It was apparent that the Company's Board of Directors' and Audit Committee's remuneration was not different from the overall market average rate.

Therefore, it was deemed appropriate to propose to the Meeting to approve the Board of Directors and Subcommittee's remuneration for the year 2025 as follows as the followings:

According to the Company's Articles of Association, a resolution under this agenda can be passed with a vote of not less than two-thirds (2/3) of the total votes of the shareholders attending the meeting.

.....

Agenda 7 To approve the appointment of the auditors and the determination of the audit fee for the year 2025.

Pursuant to the Public Act and the Company's Articles of Association Clause 57, shareholders are responsible for the appointment of the Company's auditors and its annual audit fee. Under the Notice of the Capital Market Board No. Tor Chor. 75/2561 (No.14) Re: Rules, conditions, and procedures for information disclosure relating to the financial condition and operating results of issuing companies on "Auditor Rotation" whose key points can be summarized as follows: "Listed companies must ensure the rotation of its auditor. In

case the auditor has reviewed and/or audited and commented on the financial statements of the Company for seven consecutive accounting periods, whether consecutive or not, the company will be able to appoint the above auditor at least after the end of the next five accounting periods.”

For the 2025 Annual General Meeting of Shareholders, after due consideration by the Board, with a consent from the Audit Committee, it was deemed appropriate to re-elect **EY Office Limited (“EY”)** which is certified by the Office of Securities and Exchange Commission, as the auditor of the Company for the fiscal year ending December 31, 2025. That was because of their excellent working standard, independence and satisfied performance during the past years. The Meeting was proposed to appoint any one of the individuals below to be responsible for reviewing, audit, and provide an opinion on the financial statements of the Company:

Name of The Company's Auditors:	CPA No.	As the Company's Auditors	
		Year	Period (years)
1. Ms. Yuchira Tuaton ⁽²⁾ or,	10725	-	-
2. Mr. Kitti Teachakasembundit ⁽²⁾ or	9151	-	-
3. Ms. Sineenart Jirachaikhuankhan ⁽¹⁾ or	6287	2023	1
4. Mrs. Ponnard Paچارoen ⁽²⁾	5238		

Remarks: (1) certified in the Company's financial statements in 2024
(2) never certify in the Company's financial statements

In the event that the aforementioned auditors are unable to perform their duties, EY will replace the person with another auditor from its firm to conduct the audit works and give an opinion on the financial statements of the Company. The auditors who certify the financial statements have no relationship in any circumstances and have neither conflict of interest with the Company and its subsidiaries nor the management, major shareholders or any related persons of the aforementioned.

In addition, the following auditors of EY are the auditors of the Company's subsidiaries:

The Company's subsidiaries' Auditors:

- 1. Ms. Yuchira Tuaton CPA No. 10725 or,
- 2. Mr. Kitti Teachakasembundit CPA No. 9151 or,
- 3. Ms. Sineenart Jirachaikhuankhan CPA No. 6287 or,
- 4. Mrs. Ponnard Paچارoen CPA No. 5238

The Audit Fee

The Board with the consent from the Audit Committee considered and deemed it appropriate to propose to the Meeting to approve audit fees for the year 2025 of The One Enterprise Plc. At the amount of Baht 1,350,000 (Baht one million three hundred fifty thousand), which is the same rate as the previous year. (This amount excludes additional audit fees which may incur from future business restructuring the merger or expansion / change of the company's business in the future or the effect of special audit (Change policy / accounting standards)) The Board opined that the amount was appropriate and competitive to those of other audit firms proposed to the Company.

Comparison of the audit fee of the Company between year 2023 - 2025 could be summarized as follows:

The ONE Enterprise Public Company Limited

(Unit: Baht)

Company	2025 Audit fee (Proposed)	% Change	2024 Audit fee	2023 Audit fee
The One Enterprise Plc.	1,350,000	-	1,350,000	1,350,000
Non-audit service fee	- None -	-	- None -	- None -

Required Resolution:

According to the Company's Articles of Association, a resolution under this agenda can be passed with a simple majority vote of the shareholders who attend the meeting and cast the vote.

.....

Agenda 8 Other matters (If any)

The Board deemed it appropriate to include this agenda to be in accordance with Section 105 of the Public Act stating that shareholders holding not less than one-third of the total number of shares sold, may request the meeting to consider any matter other than those specified in the meeting notice, and also for shareholders to ask any questions or provide any opinions (if any) and/or so that the Board shall answer or give an explanation to shareholders. Also, in case there were shareholders sent their inquiries or comments in advance.

However, according to the Principles of Corporate Governance of Listed Company issued by Thai Institute of Directors (IOD) and AGM Checklist of Thai Investors Association, it is not recommended to add any other agendas that are not specified in the invitation letter to the Meeting for approval or vote casting.

.....

Additional Facts on the Meeting Agenda

In order to comply with the Company's Good Corporate Governance Policy, the Company has invited all shareholders to propose agenda for the 2024 Annual General Meeting of Shareholders via the Company's website at www.theoneenterprise.com from October 1, 2024 to December 31, 2024. However, there was no shareholder propose any agenda to the Company. The Board, therefore, deemed it appropriate to set the agendas for the 2024 Annual General Meeting of Shareholders as appears in this Invitation Letter.

The ONE Enterprise Public Company Limited

Financial Summary

from the 2024 Annual Report

The One Enterprise Public Company Limited

The ONE Enterprise Public Company Limited and
its subsidiaries
Report and consolidated and separate financial statements
31 December 2024

Independent Auditor's Report

To the Shareholders of The ONE Enterprise Public Company Limited

Opinion

I have audited the accompanying consolidated financial statements of The ONE Enterprise Public Company Limited and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 31 December 2024, and the related consolidated statements of comprehensive income, changes in shareholders' equity and cash flows for the year then ended, and notes to consolidated financial statements, including material accounting policy information, and have also audited the separate financial statements of The ONE Enterprise Public Company Limited (the Company) for the same period (collectively "the financial statements").

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The ONE Enterprise Public Company Limited and its subsidiaries, and of The ONE Enterprise Public Company Limited as at 31 December 2024, and their financial performance and cash flows for the year then ended, in accordance with Thai Financial Reporting Standards.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Group in accordance with the *Code of Ethics for Professional Accountants including Independence Standards* issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Building a better
working world

I have fulfilled the responsibilities described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report, including in relation to these matters. Accordingly, my audit included the performance of procedures designed to respond to my assessment of the risks of material misstatement of the financial statements. The results of my audit procedures, including the procedures performed to address the matter below, provide the basis for my audit opinion on the accompanying financial statements as a whole.

Key audit matters and how audit procedures respond for each matter are described below.

Revenue recognition

The Group's revenue is significant to the financial statements and directly affects its operating results, to which users of financial statements pay attention. The Group has numerous types of revenue and it is derived through various channels, under agreements with a large number of customers that contain a variety of conditions, pertaining to matters such as sales promotions and discounts. In addition, changes in consumer behavior and industry trends have directly affected the competitive environment in media and entertainment industry. There are therefore risks with respect to the amount and timing of revenue recognition.

I have examined the revenue recognition of the Group by

- Assessing and testing the Group's IT system and its internal controls with respect to the revenue cycle by making enquiry of responsible executives, gaining an understanding of the controls and selecting representative samples to test the operation of the designed controls.
- Applying a sampling method to select sales and service agreements to assess whether revenue recognition was consistent with the conditions of the relevant agreement, and whether it was in compliance with the Group's policy.
- On a sampling basis, examining supporting documents for sales and service transactions occurring during the year and near the end of the accounting period.
- Reviewing credit notes that the Group issued after the period-end.
- Performing analytical procedures on disaggregated data to detect possible irregularities in revenues transactions throughout the period, including accounting entries made through journal vouchers.

Goodwill and intangible assets with indefinite useful lives

I have focused my audit on the consideration of the impairment of goodwill and intangible assets with indefinite useful lives, as discussed in Notes 16 to the consolidated financial statements, because the assessment of impairment of goodwill and intangible assets with indefinite useful lives are a significant accounting estimate requiring management to exercise a high degree of judgment in identifying the cash generating units, estimating the cash inflows that are expected to be generated from that group of assets in the future, and setting an appropriate discount rate and long-term growth rate. There are thus risks with respect to the amount of goodwill and intangible assets with indefinite useful lives.

I assessed the identification of cash generating units and the financial models selected by management by gaining an understanding of management's decision-making process and assessing whether the decisions made were consistent with how assets are utilised. In addition, I tested the significant assumptions applied by management in preparing estimates of the cash flows expected to be realised from the assets, by comparing those assumptions with information from both internal and external sources and comparing past cash flow projections to actual operating results in order to evaluate the exercise of management judgment in estimating the cash flow projections. I also evaluated the discount rate applied by management through analysis of the average costs of the Company and of the industry, tested the calculation of the realisable values of the assets using the selected financial model and considered the impact of changes in key assumptions on those realisable values, especially changes in the discount rate. Moreover, I reviewed the disclosures made with respect to the impairment assessment for goodwill and intangible assets with indefinite useful lives.

Other Information

Management is responsible for the other information. The other information comprise the information included in annual report of the Group, but does not include the financial statements and my auditor's report thereon. The annual report of the Group is expected to be made available to me after the date of this auditor's report.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

When I read the annual report of the Group, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance for correction of the misstatement.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Thai Standards on Auditing, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Building a better
working world

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. I am responsible for the direction, supervision and performance of the group audit. I remain solely responsible for my audit opinion.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Building a better
working world

From the matters communicated with those charged with governance, I determine these matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

I am responsible for the audit resulting in this independent auditor's report.

3. New financial reporting standards

3.1 Financial reporting standards that became effective in the current year

During the year, the Group has adopted the revised financial reporting standards which are effective for fiscal years beginning on or after 1 January 2024. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and providing accounting guidance for users of the standards.

The adoption of these financial reporting standards does not have any significant impact on the Group's financial statements.

3.2 Financial reporting standards that will become effective for fiscal years beginning on or after 1 January 2025

The Federation of Accounting Professions issued a number of revised financial reporting standards, which are effective for fiscal years beginning on or after 1 January 2025. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and providing accounting guidance for users of the standards.

The management of the Group believes that adoption of these amendments will not have any significant impact on the Group's financial statements.

4. Accounting policies

4.1 Revenue and expense recognition

Sales of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally upon delivery of the goods. Revenue is measured at the amount of the consideration received or receivable, excluding value added tax, of goods supplied after deducting returns, discounts, allowances and price promotions to customers.

Service income

a) Service income from advertising and promotion

Service income from advertising and promotion are recognised as income when services have been rendered and programmes broadcast. Service income from advertising and promotion are stated on the basis of an invoiced value for the services rendered after deducting discount and are reduced from the consideration payable to a customer.

b) Revenues from production and service

Revenue from production for the contract, which has the content that the ownership of work is vested in the customer since the entity starts the production and the entity has an enforceable right to payment for the performance completed to date, is recognised over time when services have been rendered taking into account the stage of completion.

Revenue from production for the contract with content other than the above conditions is recognised at point in time when the production is completed and transfer the content.

Revenue of service is recognised at a point in time upon completion of the service.

c) Revenue from sublease of television station

Revenue from sublease of television station is recognised over the period of the sublease.

d) Revenue from artist management

Revenue from artist management is recognised at a point in time upon completion of the service.

e) Revenue from production of radio programmes

Revenue from production of radio programmes represents the service income from advertising and promotion of radio programmes and is stated at an invoiced value for the services rendered after deducting consideration payable to a customer. Service income from advertising and promotion is recognised when services or programmes have been rendered or broadcasted.

f) Revenue from studio rental service

Studio rental service income is recognised at a point in time upon completion of the service.

g) Revenue from management

Revenue from management is recognised over the management period.

h) Revenue from production of concerts and event organizer

Revenue from production of concerts and event organizer are recognised when concerts or event have taken place.

The recognised revenue which is not yet due per the contracts has been presented under the caption of "Accrued income" in the statement of financial position. The amounts are reclassified to trade receivables when the Group issues the invoices.

The obligation to services to a customer for which the Group has received consideration or an amount of consideration is due from the customer is presented under the caption of "Unearned income" in the statement of financial position. Unearned income is recognised as revenue when the Group performs under the contract.

Revenues from copyrights

Revenues from copyrights are recognised when the right to receive payment is established, and reasonable estimates of such amount can be made.

Dividend income

Dividend income is recognised when the right to receive the dividends is established.

Finance income

Finance income is calculated using the effective interest method and recognised on an accrual basis. The effective interest rate is applied to the gross carrying amount of a financial assets.

Finance cost

Interest expense from financial liabilities at amortised cost is calculated using the effective interest method and recognised on an accrual basis.

4.2 Cash and cash equivalents

Cash and cash equivalents consist of cash in hand and at banks, and all highly liquid investments with an original maturity of three months or less and not subject to withdrawal restrictions.

4.3 Inventories

Finished goods are valued at the lower of cost (moving average method) or net realisable value.

Television programmes are valued at the lower of the accumulated production costs in progress and those which are completed and ready for broadcasting and net realisable value. The costs, which consist of expenses directly associated with programme production, are charged to profit or loss when the programmes are broadcasted.

Television programmes of drama series will be transferred to program rights when the programmes are broadcasted.

4.4 Investments in subsidiaries, joint venture and associate

Investment in joint venture and associate are accounted for in the consolidated financial statements using the equity method.

Investments in subsidiaries and associate are accounted for in the separate financial statements using the cost method.

4.5 Property, plant and equipment/Depreciation

Land is stated at cost. Buildings and equipment are stated at cost less accumulated depreciation and allowance for impairment loss on assets (if any).

Depreciation of plant and equipment is calculated by reference to their costs on the straight-line basis over the following estimated useful lives:

	<u>Useful lives</u>
Buildings and buildings improvement	3 - 50 years
Operating equipment	3 - 7 years
Furniture, fixtures and office equipment	3 - 5 years
Computer and equipment	3 - 7 years
Motor vehicles	5 years

Depreciation is included in determining income.

No depreciation is provided on land and construction in process.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on disposal of an asset is included in profit or loss when the asset is derecognised.

4.6 Cost of spectrum license and amortisation

Cost of spectrum license is carried at cost less accumulated amortisation and allowance for impairment loss (if any), and for the cost of spectrum license was measured at the cash equivalent price based on the present value of the installments. The difference between the total payment to be made and the cash equivalent price is recognised as a finance cost over the license fee payment period. It is recognised as the asset and liability under the license when the license period whereby, the cost of license is known.

Cost of spectrum license is amortised on a straight-line basis over the license period, 7 years for radio license and 15 years for digital TV license. The amortisation expense is charged to profit or loss.

4.7 Intangible assets

Intangible assets acquired through business combination are initially recognised at their fair value on the date of business acquisition while intangible assets acquired in other cases are recognised at cost. Following the initial recognition, the intangible assets are carried at cost less accumulated amortisation and allowance for impairment loss (if any).

Intangible assets with finite lives are amortised on the straight-line basis over the economic useful life and tested for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method of such intangible assets are reviewed at least at each financial year end. The amortisation expense is charged to profit or loss.

A summary of the intangible assets with finite useful lives is as follows:

- a) Program rights are carried at cost less accumulated amortisation and allowance for impairment loss (if any).

Program rights are recognised as the assets under the license contracts when the license contracts period whereby, the cost of rights are known, and rights are under control of the Group. Program rights are amortised on a straight-line basis over the license contract periods.

In respect of program rights of drama series, which were transferred from inventories, the Group amortised their program rights at a rate of 60 % of the costs in the first broadcasting. The remaining book value will be amortised on a straight-line basis over a period of 5 years.

- b) Computer software is carried at cost less accumulated amortisation and allowance for impairment loss (if any). It is amortised on a straight-line basis which has useful lives 3 - 10 years.
- c) Intangible asset arising from the acquisition of subsidiaries are as follows:

	<u>Useful lives</u>
Trademark Chill	10 years
Customer contract	2.1 years
Customer relationships	15 years
Artist contract	0.4 and 3.5 years

Intangible assets with indefinite useful lives are trademark Green Wave and EFM arising from the acquisition of subsidiaries.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually either individually or at the cash-generating unit level. The assessment of indefinite useful lives of the intangible assets is reviewed annually.

4.8 Goodwill

Goodwill is initially recorded at cost, which equals to the excess of cost of business combination over the fair value of the net assets acquired. If the fair value of the net assets acquired exceeds the cost of business combination, the excess is immediately recognised as gain in profit or loss.

Goodwill is carried at cost less any accumulated impairment losses. Goodwill is tested for impairment annually and when circumstances indicate that the carrying value may be impaired.

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to each of the Group's cash generating units (or group of cash-generating units) that are expected to benefit from the synergies of the combination. The Group estimates the recoverable amount of each cash-generating unit (or group of cash-generating units) to which the goodwill relates. Where the recoverable amount of the cash-generating unit is less than the carrying amount, an impairment loss is recognised in profit or loss. Impairment losses relating to goodwill cannot be reversed in future periods.

4.9 Related party transactions

Related parties comprise enterprises and individuals that control, or are controlled by, the Group, whether directly or indirectly, or which are under common control with the Group.

They also include associated companies and individuals which directly or indirectly own a voting interest in the Group that gives them significant influence over the Group, key management personnel, directors, and officers with authority in the planning and direction of the Group's operations.

4.10 Leases

At inception of contract, the Group assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Group as a lessee

The Group applied a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. At the commencement date of the lease (i.e. the date the underlying asset is available for use), the Group recognises right-of-use assets representing the right to use underlying assets and lease liabilities based on lease payments.

Right-of-use assets

Right-of-use assets are measured at cost, less accumulated depreciation, any accumulated impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities initially recognised, initial direct costs incurred, and lease payments made at or before the commencement date of the lease less any lease incentives received.

Depreciation of right-of-use assets are calculated by reference to their costs on the straight-line basis over the shorter of their estimated useful lives and the lease term.

Buildings and buildings improvement	3 - 6	years
Motor vehicles	3 - 5	years
Computer and other equipment	3 - 7	years

If ownership of the leased asset is transferred to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

Right-of-use assets are presented as part of property, plant and equipment in the statement of financial position.

Lease liabilities

Lease liabilities are measured at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be payable under residual value guarantees. Moreover, the lease payments include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising an option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

The Group discounted the present value of the lease payments by the interest rate implicit in the lease or the Group's incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

A lease that has a lease term less than or equal to 12 months from commencement date or a lease of low-value assets is recognised as expenses in profit or loss on a straight-line basis over the lease term.

The Group as a lessor

A lease that transfers substantially all the risks and rewards incidental to ownership of an underlying asset to a lessee is classified as finance leases. As at the commencement date, an asset held under a finance lease is recognised as a receivable at an amount equal to the net investment in the lease or the present value of the lease payments receivable and any unguaranteed residual value. Subsequently, finance income is recognised over the lease term to reflect a constant periodic rate of return on the net investment in the lease.

A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset to a lessee. Lease receivables from operating leases is recognised as income in profit or loss on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying assets and recognised as an expense over the lease term on the same basis as the lease income.

4.11 Foreign currencies

The consolidated and separate financial statements are presented in Baht, which is also the Group's functional currency.

Transactions in foreign currencies are translated into Baht at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into Baht at the exchange rate ruling at the end of reporting period.

Gains and losses on exchange are included in determining income.

4.12 Impairment of non-financial assets

At the end of each reporting period, the Group performs impairment reviews in respect of the property, plant and equipment, right-of-use assets and other intangible assets whenever events or changes in circumstances indicate that an asset may be impaired. An impairment loss is recognised when the recoverable amount of an asset, which is the higher of the asset's fair value less costs to sell and its value in use, is less than the carrying amount.

In determining value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs to sell, an appropriate valuation model is used. These calculations are corroborated by a valuation model that, based on information available, reflects the amount that the Group could obtain from the disposal of the asset in an arm's length transaction between knowledgeable, willing parties, after deducting the costs of disposal.

An impairment loss is recognised in profit or loss.

In the assessment of asset impairment (except for goodwill), if there is any indication that previously recognised impairment losses may no longer exist or may have decreased, the Group estimates the asset's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The increased carrying amount of the asset attributable to a reversal of an impairment loss shall not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in profit or loss.

4.13 Employee benefits

Short-term employee benefits

Salaries, wages, bonuses and contributions to the social security fund are recognised as expenses when incurred.

Post-employment benefits

Defined contribution plans

The Group and its employees have jointly established a provident fund. The fund is monthly contributed by employees and by the Group. The fund's assets are held in a separate trust fund and the Group's contributions are recognised as expenses when incurred.

Defined benefit plans

The Group have obligations in respect of the severance payments it must make to employees upon retirement under labor law. The Group treat these severance payment obligations as a defined benefit plan.

The obligation under the defined benefit plan is determined by a professionally qualified independent actuary based on actuarial techniques, using the projected unit credit method.

Actuarial gains and losses arising from defined benefit plans benefits are recognised immediately in other comprehensive income.

4.14 Provisions

Provisions are recognised when the Group has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

4.15 Income Tax

Income tax expense represents the sum of corporate income tax currently payable and deferred tax.

Current tax

Current income tax is provided in the accounts at the amount expected to be paid to the taxation authorities, based on taxable profits determined in accordance with tax legislation.

Deferred tax

Deferred income tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts at the end of each reporting period, using the tax rates enacted at the end of the reporting period.

The Group recognises deferred tax liabilities for all taxable temporary differences while its recognise deferred tax assets for all deductible temporary differences and tax losses carried forward to the extent that it is probable that future taxable profit will be available against which such deductible temporary differences and tax losses carried forward can be utilised.

At each reporting date, the Group reviews and reduces the carrying amount of deferred tax assets to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

The Group records deferred tax directly to shareholders' equity if the tax relates to items that are recorded directly to shareholders' equity.

4.16 Financial instruments

The Group initially measures financial assets at its fair value plus, in the case of financial assets that are not measured at fair value through profit or loss, transaction costs. However, trade receivables, that do not contain a significant financing component, are measured at the transaction price as disclosed in the accounting policy relating to revenue recognition.

Classification and measurement of financial assets

Financial assets are classified, at initial recognition, as to be subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI"), or fair value through profit or loss ("FVTPL"). The classification of financial assets at initial recognition is driven by the Group's business model for managing the financial assets and the contractual cash flows characteristics of the financial assets.

Financial assets at amortised cost

The Group measures financial assets at amortised cost if the financial asset is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest rate ("EIR") method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

Financial assets at FVTPL

Financial assets measured at FVTPL are carried in the statement of financial position at fair value with net changes in fair value recognised in profit or loss.

Classification and measurement of financial liabilities

Except for derivative liabilities, at initial recognition the Group's financial liabilities are recognised at fair value net of transaction costs and classified as liabilities to be subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. In determining amortised cost, the Group takes into account any fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in profit or loss.

Regular way purchases and sales of financial assets

Regular way purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace are recognised on the trade date, i.e., the date on which the Group commits to purchase or sell the asset.

Derecognition of financial instruments

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or have been transferred and either the Group has transferred substantially all the risks and rewards of the asset, or the Group has transferred control of the asset.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

Impairment of financial assets

The Group recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at FVTPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate.

For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure (a lifetime ECL).

The Group considers a significant increase in credit risk to have occurred when contractual payments are more than 30 days past due and considers a financial asset as credit impaired or default when contractual payments are 90 days past due. However, in certain cases, the Group may also consider a financial asset to have a significant increase in credit risk and to be in default using other internal or external information, such as credit rating of issuers.

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. ECLs are calculated based on its historical credit loss experience and adjusted for forward-looking factors specific to the debtors and the economic environment.

A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

4.17 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between buyer and seller (market participants) at the measurement date. The Group applies a quoted market price in an active market to measure their assets and liabilities that are required to be measured at fair value by relevant financial reporting standards. Except in case of no active market of an identical asset or liability or when a quoted market price is not available, the Group measures fair value using valuation technique that are appropriate in the circumstances and maximises the use of relevant observable inputs related to assets and liabilities that are required to be measured at fair value.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into three levels based on categorise of input to be used in fair value measurement as follows:

Level 1 - Use of quoted market prices in an observable active market for such assets or liabilities

Level 2 - Use of other observable inputs for such assets or liabilities, whether directly or indirectly

Level 3 - Use of unobservable inputs such as estimates of future cash flows

At the end of each reporting period, the Group determines whether transfers have occurred between levels within the fair value hierarchy for assets and liabilities held at the end of the reporting period that are measured at fair value on a recurring basis.

5. Significant accounting judgements and estimates

The preparation of financial statements in conformity with financial reporting standards at times requires management to make subjective judgements and estimates regarding matters that are inherently uncertain. These judgements and estimates affect reported amounts and disclosures; and actual results could differ from these estimates. Significant judgements and estimates are as follows:

Goodwill and intangible assets

The initial recognition and measurement of goodwill and intangible assets, and subsequent impairment testing, require management to make estimates of cash flows to be generated by the asset or the cash-generating units and to choose a suitable discount rate in order to calculate the present value of those cash flows.

6. Related party transactions

During the years, the Group had significant business transactions with related parties. Such transactions, which are summarised below, arose in the ordinary course of business and were concluded on commercial terms and bases agreed upon between the Group and those related parties.

16. Goodwill and intangible assets with indefinite useful lives

The Company allocates goodwill acquired through business combination and "Green Wave" and "EFM" trademarks with indefinite useful lives to an asset's cash-generating unit for annual impairment testing as follows:

	(Unit: Million Baht)					
	CGU 1	CGU 2	CGU 3	CGU 4	CGU 5	Total
	(GMM TV Company Limited)	(GMM Media Public Company Limited)	(Change2561 Company Limited)	(GMM Studios International Company Limited)	(Parbdee Thaveesuk Company Limited)

"Green Wave" trademark	-	91	-	-	-	91
"EFM" trademark	-	31	-	-	-	31

The Group has determined the recoverable amounts of its cash-generating units based on value in use using cash flow projections from financial estimation approved by management covering a 5-year period.

Key assumptions used in value in use calculations are as follows:

	(Unit: percent per annum)	
	2024	2023
Long-term growth rate	2.8	2.8
Discount rate	11.0 and 11.5	10.2

The management determined the budgeted gross profit margin and long-term growth rate based on past performance and its expectations of market development. The discount rate used reflects specific risks relating to the relevant segments.

The long-term growth rate used to extrapolate cash flow projections beyond the period covered by the most recent forecasts does not exceed the long-term average growth rate for the industry in which the CGU operates.

These assumptions are based on management of the Group's judgement. Changes in the information or new noticeable information may lead to the change in the assumptions and the discount rate for the estimation of the discounted future cash flows along with sensitivity of key assumptions effect to the recoverable amount.

Management has considered the above and believes that there is no occurrence of impairment of goodwill and intangible assets with indefinite useful lives.

However, if the long-term growth rate was reduced or discount rate was increased, as presented in the table below, the expected recoverable amount would be equal to the carrying amount.

	Unit: % per annum				
	CGU 1	CGU 2	CGU 3	CGU 4	CGU 5
	(GMM TV	(GMM Media	(Change2561	(GMM Studios	(Parbdee

Qualifications of the Independent Director The One Enterprise Public Company Limited

The qualification of the Company's independent director is in compliance with (equal to) the minimum requirement of the Office of the Securities and Exchange Commission and the Stock Exchange of Thailand, which is in accordance with the Notification of the Capital Market Supervisory Board. The details are as followings:

1. Holding no more than 1% of the Company, the parent company, subsidiaries, associate companies, the Company's major shareholders or controlling parties' total voting shares including the shareholding of persons related to the independent director.
2. Not currently be or never been the Company, the parent company, subsidiaries, associate companies, subsidiaries at the same level, the Company's major shareholders or controlling parties's executive director, worker, employee, salaried consultant, or controlling parties. Exception: It has been at least two years after the person has held the position before assuming the position of the Audit Committee Director. Such prohibited characteristics exclude the case that the independent director has been a civil servant or a consultant of a state agency which is the Company's major shareholder or controlling parties.
3. Not by blood or legally registered as father, mother, spouse, family member and child including spouse of child with other directors, executives, major shareholders, controlling parties, or persons who will be nominated as directors, executives, or controlling parties of the Company or subsidiaries.
4. Not currently having or never had any relations with the Company, the parent company, subsidiaries, associate companies, the Company's major shareholders or controlling parties in the way that such relation may impede the person from having independent views. Also, the person should not currently be or never be a significant shareholder or controlling person for persons having business relations with the Company, the parent company, subsidiaries, associate companies, subsidiaries at the same level, the Company's major shareholders or controlling parties. Exception: It has been at least two years after the person has held the position.

Such the business relationship extends from normal trade transactions in operating property rent or lease, transactions concerning assets or services or providing or accepting financial assistance through means of borrowings or lending, a guarantee, use of assets as collaterals against debts, to other equivalent actions which result in the Company or a contractual party having debt obligations for repayment to the other party in the amount of 3% of the Company's net tangible assets or higher, or 20 million baht or more, whichever is lower. Meanwhile, the calculation of the debt obligations shall follow the calculation method for value of related-parties transactions according to notifications of the Capital Market Supervisory Board on the principles for related-parties transactions. Attending the Meeting and Voting through the Mobile or Web Application IR Plus AGM

1. The right to attend and cast votes at the meeting through the mobile or web application is exclusive for each shareholder and proxy. One username may not be able to login to the application simultaneously on several devices. Therefore, the shareholders or proxies must use the username and pin code to attend the meeting themselves,
2. In the case that one person is appointed as a proxy by several shareholders, the proxy may attend the meeting for one shareholder per one device only.

3. At the commencement of the meeting, shareholders or proxies may cast their votes through the mobile or web application on every agenda item in advance, or cast their votes during the consideration of that particular agenda item. The system will count the votes until the end of each agenda item.
4. In voting count, the number of votes against or votes abstain (if any) would be deducted from the total number of votes of shareholders attending the meeting, or of shareholders who have voting right, as the case may be, thus, the rest would be the number of votes agree.
5. In the case that a shareholder or proxy logs out from the Application before voting for any agenda item, the shareholder or proxy will not be counted as part of the quorum for that agenda item and the votes of such shareholder or proxy will not be counted in that agenda. However, if a shareholder or proxy logs out from any agenda item, the right to log in into the meeting and vote for the remaining agenda items shall not be prejudiced.

Raising Questions and Expressing Opinions during the Meeting

1. The meeting will be broadcasted through the mobile or web application only. In order to ensure that the meeting shall be conducted smoothly, in the case that a shareholder or proxy has any question or would like to express his or her opinion on any agenda item, the shareholder or proxy can choose the question make icon on the screen to submit questions or to express an opinion in the system. The system will arrange the questions and opinions by the order of time requested. Questions asked and opinions expressed must be related to the agenda items being considered.
2. During the meeting, if any shareholder or proxy acts in any way that interferes with the meeting or causes annoyance to other attendees, the Company reserves the right to take any action in order to suppress the action that interferes with the meeting or causing annoyance to other attendees.

Other Requirements

1. Video and audio contents of the meeting are the sole intellectual property of the Company and the Company does not permit any shareholders or proxies to record, modify or publish video and audio at the meeting. The Company reserves the right to take legal action against those who do so.
2. In the event that shareholders or proxies use any system related to the meeting through IR PLUS AGM in any way which does not comply with this requirement, or other manuals that the Company has provided to the shareholders for use in supporting the meeting and it causes damage to the Company in any way, such shareholders or proxies shall indemnify and hold the Company harmless in full from and against the damages and costs resulting from claim and litigation by any third party, including claim and litigation by the Company against such shareholders and/or proxies who causes such damage.
3. The Company reserves the right to undertake any act in the case that any shareholder does not comply with this Processes and Guidelines, and may suspend the shareholder's right to attend the meeting through the Application if, during the meeting, the shareholders or proxies fail to comply with this Processes and Guidelines.
